## **NOTICE FOR ALL YEAR 11 PUPILS**

Please find attached the general arrangements for revision/study within college prior to the commencement of the formal study leave at the end of the May half term. (Exams are denoted in red).

It is hoped that this out line will help you in the planning of your personal revision timetable.

As well as the arrangements outlined on the attached there will be further specific arrangements put in place as the need arises to support such things as the preparation for the Media Studies Exam - but at the moment we do not yet have the specific details for such things.

Please remember that the timings of lunch breaks will be subject to change throughout the exam period.

Therefore it will be essential for Year 11 pupils to pay close attention to all exam and study notices distributed by tutors once we return after the Easter break.

**Remember** - by now you should all have produced a revision plan and be getting yourselves organised to sit the actual exams. If you are well planned and organised the exams will be far less stressful and you will be able to perform to the best of your ability.

**DON'T FORGET - if you are stuck and need help - ASK!!!**

The Easter holidays represent an extremely good opportunity to tackle a lot of revision AND if you are well organised and you have a good plan you will be able to revise and still have loads and loads of time left for enjoyment and relaxation. Use your time wisely.

Best wishes to you all for successful revision
