

SPA NEWSLETTER

THE SPA FAMILY

On Tuesday 19th January, the Swanmore Parents' Association Committee met. Our accounts showed that we had money at our disposal to spend.

The only aim of SPA is to provide the pupils and the College with extra resources to help support and enhance our children's education. This money has been raised through events and donations over the last 3 or 4 years - money that you have given to help enrich your child's education and which we felt should be used as soon as possible. You should be warned, this Committee has a "Spend Spend Spend" philosophy.

So we spent it!

The College had been invited to submit bids, suggesting ways in which this money could be put to good use and we are thrilled to be able to tell you that in one evening

we allocated **£6,200** for the following:

Printing press
To support trips
Filming equipment
Sanding equipment
Sewing Machines
Food tech equipment

This would not have been possible without the support and generosity of the parent body and we extend a HUGE debt of thanks for making these gifts to the college possible.

...However..... it does mean that we have depleted our funds somewhat and if we are to be able to continue to provide the pupils with such opportunities we need to raise more money!

So, we therefore cordially invite you to our next social event

- a Quiz Night -

details of which are attached to this newsletter.

It is our aim not only to raise much needed funds for the college, but also to provide affordable and enjoyable social events – hopefully this will be the first of many – we hope to see you there!!

Thank you once again.
