

October 2009

Dear Parents

SOLENT SKILLS FESTIVAL 2009

**Invitation to Years 9 and 10 Pupils
Wednesday 4 November- City Cruise Terminal, Southampton**

The Festival provides employers and training providers with an opportunity to showcase their industry through an interactive skills event. It brings Professional & Vocational learning to life and shows young people the wide range of skills and career opportunities available to them. This event is designed to raise awareness of Professions, occupational areas & industries, and to help provide guidance with Apprenticeships, New Diplomas, GCSE Subjects and Career choices.

I will be taking a small group of interested pupils to this event. We are travelling by mini-bus and will leave college at 12.00 and return in time for the end of college.

If you would like your son/daughter to be included in this very worthwhile trip then please complete the form below and encourage them to return it to me promptly.

Yours sincerely

A Illsley (Mrs)
Vocational Education Co-ordinator
