

Year 7 February Newsletter

At the time of writing our Year 7's have now been at Swanmore College of Technology for half an academic year. They have now returned after the February break refreshed, confident and ready to tackle the challenges that lie ahead over the coming few weeks.

Events involving our Year 7 pupils include attending a disco on Thursday 4th March organised by Mr Rumsey and supported by the whole of the Year 7 Team.

We have pupils auditioning for 'Swanmore's Got Talent'. Pupils can enter this competition either singularly or in groups. The winning acts will then perform in our talent show which will be held at the end of May.

Selection to represent the college in the 'The Times Spelling Bee Competition' took place at the end of last half term. Our team will now compete along side other schools from across the county, we are hoping for another successful run!

Congratulations must be extended to our Year 7 Rugby Team whose hard work and determination has been rewarded with a number of wins.

A Date for your Diary

May we take this opportunity to remind you that a Year 7 Subject Parents' Evening will take place on Thursday 18th March?
