YOUR FUTURE

In a tough economic climate, it's even more important to make your CV stand out from the crowd.

Skills participants said they gained through their DofE...

- Team working: 91%
- Communication: 75%
- Problem solving: 59%
- Self-management: 55%
- Positive approach to work: 55%

The Volunteering section came out top in helping participants prepare for the working world.

The activities undertaken on a Duke of Edinburgh's Award programme are proven to help boost university applications and CVs.

“

“DofE was a great experience, I made new friends and learnt new skills, I am really looking forward to the Silver Expedition.”

Tom, DofE Participant, King Alfred’s Academy

“I have really enjoyed taking part in the DofE Award at the Academy. It has been great to have support from the Academy in terms of equipment but also with my skills, volunteering and physical parts of the award. I have taken both my Bronze and Silver awards and could not have done it without the support of Brompton Academy.”

Lewis, Year 12 DofE Participant, Brompton Academy

“Doing DofE both at Bronze and Silver level has developed me in many different ways. My communication skills and teamwork has improved significantly through taking part in DofE however, my self-confidence has been developed the most.”

Alyssa Meacock, DofE participant, The Langley Academy

A group of approximately 15 people are kayaking on a large body of water. They are arranged in a loose line, facing towards the camera. The kayakers are wearing various types of hats and life jackets. The background shows a range of mountains under a clear sky. The entire image has a purple color overlay.
